

## **Contest Rules**

### **Hole in One Contest**

The prize for this contest is \$10,000.

Only one shot per participant per target hole is permitted. No practice shots, mulligans or substituted shots for other contestants are permitted. A HOLE-IN-ONE must be made by a registered and qualified participant for the tournament. Scorecards will be maintained and any contestant, who makes the shot, must have their scorecard signed by the witness and a second witness if possible. Participants must be playing in the 9- or 18-hole contest in the same sequence as all other contestants.

### **Longest Drive Contest**

Only one shot per participant for the target hole is permitted. No practice shots, mulligans or substituted shots for other players are permitted. Shots must land on the fairway to qualify for the longest drive. If your drive qualifies and passes the longest drive flagstick then please move the flagstick to your balls location and mark your name down at the bottom of the list. The flagstick will stay on the course until all players have passed the designated hole. The last person on the list with a qualified shot will win the prize.

### **Closest to the Pin Contest**

Only one shot per participant for the target hole is permitted. No practice shots, mulligans or substituted shots for other players are permitted. The tee shot must land on the green to qualify. If a player has landed a tee shot on the green, please mark the landing spot with the flagstick. If your shot has not landed closer to the pin than where the flagstick is located then your shot is not the closest and the flagstick stays where it is. If your shot is closer then please move the flagstick to your ball location on the green and write your name on the bottom of the list.

### **Mulligans**

Mulligans will be sold at 5 for \$20. You must "use" one of your mulligans for every shot you redo. Mulligans may not be used when attempting to win a contest hole.
