Texas Scramble Rules

- Each team will consist of four players.
- All players tee off at each hole.
- The nominated team captain then selects the best drive and marks the position (within 6 inches) with a tee peg (not nearer the hole). A minimum of four tee shots per player to be used.
- The other players then retrieve their balls.
- The player whose ball has been chosen then plays their next shot first.
- The remaining players then play within six inches of the tee peg (not nearer the hole). **Note!** Golf balls shall be placed on closely mown areas and dropped if the chosen ball in play is in the rough or a hazard.
- The above method of play is followed until the green is reached.
- On the green the same method applies. The ball chosen is marked by a putter head length and players putt from the same spot in turn.
- Each player must mark the ball after putting. Play continues from each chosen position until the ball is holed.
- The score is the total number of shots from the chosen spots (including the tee shot). **Note!** If a player putts and misses but then inadvertently knocks the ball into the hole, *then that score counts*.
- At the end of the round the total for each hole is added together and the strokes received subtracted to give the total net score for the round. The winning team will be the one with the lowest score.
- All other rules of golf apply to the "Ball in Play"
